

# LIFE SCIENCE EDUCATION ADVANCEMENT FAIR & PLACEMENT MELA

# LEAF 2025

**Dates:** June 14<sup>th</sup> & 15th, 2025 (Saturday & Sunday)

*"Bridging Education and Career Opportunities  
in Life Sciences"*

# ABOUT LEAF 2025

Building upon the success of our 2019 event, LEAF 2025 aims to elevate the platform by integrating a Placement Mela alongside the educational fair.

***This four-day virtual event is designed to:***

- Raise awareness about life science education.
- Showcase available courses and programs available in various Universities
- Introduce the best universities and institutions where students can make a career.
- Facilitate recruitment opportunities for freshers, graduates, postgraduates, and PhD holders.
- Help Students network with Startups & Companies

# **EVENT HIGHLIGHTS**

- **Educational Seminars:** Live sessions focusing on various life science disciplines, emerging trends, and career prospects.
- **University Showcases:** Presentations by over 30+ universities detailing their life science programs and unique offerings.
- **Placement Mela:** Engage with 30+ startups and established companies offering recruitment opportunities.
- **CV Upload Portal:** A dedicated platform for job seekers to upload their CVs, accessible to all participating companies.

# BENEFITS FOR PARTICIPANTS
